CONDITIONS OF SALE.

Please read Sale Terms Before Bidding.

This is a bona-fide public sale, for prompt cash settlement, and irresponsible persons who are not sure whether they can pay for what they bid on, are asked not to bid. The cataloguer has taken special pains to describe each lot accurately. Errors will be corrected, but he reserves the sole right to decide upon any claims. No corrections or refunds will be made, and no lots can be returned, unless the bidder submits his case in writing within 30 days of the date of the sale.

Coins and medals are sold at so much per PIECE, and no lot will be separated. You cannot buy a few pieces out of a lot but must buy all of it. The auctioneer will accept no bid under 10 cents to start a lot where that lot contains only one piece; nor will he accept any advance under 5c on any lot containing but one piece; after the price has reached \$2. no advance under 10c will be accepted on any lot containing one piece; after \$5.00 the bid must advance 25c each time; after \$10 no bid under 50c.

Our rules regarding lots containing more than one piece will remain unchanged and the same as before.

Auction sales are strictly for cash. Parties unknown to me and bidding for the first time, must give bank or other reliable reference, or their bids will not be executed.

Forward your bids as early as possible, as thousands of bids have to be entered. Do not make ridiculously low bids, such as 10c. and 15c. on foreign silver coins worth several times over as bullion. Write your bids plainly, with a pen if practicable.

Where the number of pieces in a lot is not given after the description there is but one piece in the lot.

Be sure you bid on the lot you wish to buy. We cannot correct such errors.

All coins, etc., are genuine unless otherwise described.

A charge of 5% will be made to cover packing but where the parcel is bulky an additional packing charge will be made. No charge made for bidding except for lots actually purchased. Remit by money order or New York draft.

If any further information is required as to valuation of lots, or how to bid, please write the cataloguer, THOMAS L. ELDER.

Important Notice. We keep two books of the sale recording each lot as sold, and we will not accept any sale records from outsiders. Our records are final.

SPECIAL INSTRUCTIONS. PLEASE READ.

Not an Approval Sale. Goods are actually sold and must be paid for at once. No returns allowed unless application is made in writing for our permission to return the same, stating the nature of the complaint. We are the final arbiters of any claim. We keep two books. Our room records are final. Deliveries must be verified at the desk, before taking out lots. Transfer of title to lots is not consummated until same are paid for. Regular customers pay on receipt of our bill; new bidders must make a deposit of 25%, to ensure bids being executed. Bids by the piece and not by the entire lot. Be careful in entering bids. We are not responsible for error bids. Errors in bidding on the wrong lot must be paid for. No priced catalog can be furnished.

A NEW MAILING LIST.

We are making up a new mailing list. Those collectors who do not bid at least once in five or six sales we will drop from our mailing list, as clerkship, catalogues and postage cost a lot of money, and we want to avoid waste. Do us the favor to let us know if you wish catalogs discontinued or else send us bids occasionally at least. Names dropped from the list will not be put on again unless we are certain they will patronize the sales with some bids. We are going to cut off several hundred names from our mailing list. As we are holding more sales and more important sales than others, it will be found to be to the interest of collectors to be kept on our list, and this you can accomplish by patronizing our sales. And you can rest assured nobody else offers such a wide variety of items at auction as we do. This includes the whole U. S. A. and we make no exception to the claim. We are receiving fine consignments and have on hand the General McReeve Colonial Coin and U. S. Cent Collection, for our December Sale.

We are the oldest in the business today. Sales since the year 1903.

as a rule Very fine, and fine workmanship, some watermarked. In-
teresting lot. A shining example for Messrs. Thomas, Lemke and
Coughlin, who advocate large issues of U. S. paper money to retire
debts, we believe. This was the result of overworked printing
presses. The German "money changers were driven from the tem-
ple" and also evidently the assets! 25.
